

Vahterus Founder Mauri Kontu Appointed to Parliament of Finland

Vahterus is proud to share that our founder, CEO, and owner **Mauri Kontu** has been appointed as a Member of the Finnish Parliament. He will assume his new position in Centre Party Parliamentary Group in September 2025, following the resignation of **Annika Saarikko**.

We have only recently received this news and have begun internal discussions to assess the implications for the company and our leadership structure.

As a family business, Vahterus has always been rooted in long-term thinking and commitment. We remain dedicated to our mission, our customers, and our employees. We will share further updates once our internal transition planning is complete.
